This is UNEVALUATED Information

25X1

1. On 17 July 1955, it was learned                      that work on the enlargement of Borkheide airfield was under way. Trees were being felled at the western edge of the airfield and hauled away on trucks. 25X1

2. In early August 1955 it was rumored that the airfield of the former Deutsche Luftwaffe near Borkheide was reconstructed for military purposes. This construction project was connected with the construction of a railroad line over Lake Templin. 25X1

                     Comment. Information on possible construction at Borkheide airfield has previously been reported but thus far no detailed information has been received.
